JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Spittoons—In Factories, Specifications for. (Reg. Bd. of H., May 1, 1913.)

CHAP. XVI. Complying with chapter 503, section 2, Acts and Resolves of 1907, the board of health has voted, "That a receptacle for expectoration in factories and workshops, not less than 10 inches in diameter, nor less than 5 inches in depth, with a removable cover; to be made of iron, enameled inside and out, one to be provided for every 5 male persons, or fraction thereof, and one for every 20 female persons, or fraction thereof, will be acceptable to the board of health of the city of Brockton.

Foodstuffs—Protection of. (Reg. Bd. of H., May 1, 1913.)

CHAP. XVII. *Covering of meats, vegetables, fruits, and berries.*—SECTION 1. No person shall allow the body of any animal, or part thereof, or any bread, pastry, poultry, or other provisions which may be used as human food, to be carted or carried through the streets or avenues of the city of Brockton, unless it be so covered as to protect it from dust, dirt, and flies.

SEC. 2. No cherries, blackberries, huckleberries, raspberries, strawberries, grapes, dates, figs, salted peanuts, cracked nuts of any kind, corn cakes, corn crisp, candy of any description, maple sugar, or any other article or foodstuff which may be used for human food without cooking or peeling, shall be kept or exposed for sale in any street or public place, or outside of any shop or store, or in the open windows or doorways, thereof, unless they be kept covered, so that they shall be protected from dust, dirt, and flies.

SEC. 3. No vegetables, or other articles which are to be used as human food, shall be kept or placed or exposed for sale outside of any shop, store, or market, or in the open windows or doorways thereof, where it is possible for such vegetables or other articles to be contaminated by dogs.

SEC. 4. Every person, being the occupant or lessee of any room, stall, building, or place where any meat, fish, birds, fowl, milk, vegetables, butter, fruit, or other articles intended or held for human food shall be stored or kept, or shall be offered for sale, shall put and keep such room, stall, building, or place, and its appurtenances, in a clean and wholesome condition; and every person having charge or interested or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, birds, fowl, milk, butter, fruit, vegetables, or other articles intended for human food, shall keep, protect, and preserve the same in a clean and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Ice Cream—Manufacture, Care, and Sale. (Reg. Bd. of H., May 1, 1913.)

CHAP. XVIII.—ARTICLE I.—SECTION 1. No ice cream shall be manufactured or stored in any portion of a building which is used for the stabling of horses or other animals, or in any room used in whole or in part for domestic or sleeping purposes, unless the manufacturing and storage room for ice cream is separated from other parts of the building, to the satisfaction of the board of health.

SEC. 2. All rooms in which ice cream is manufactured or stored shall be provided with tight walls and floors, window and door screens, and kept constantly clean. The walls and floors of said rooms shall be of such construction as to permit rapid and thorough cleansing. The room or rooms aforesaid shall be equipped with appliances for washing or sterilizing all utensils employed in the mixing, freezing, storage, sale, or distribution of ice cream, and all such utensils after use shall be thoroughly washed with boiling water, or sterilized by steam. Vessels used in the manufacture and sale of ice cream shall not be employed as containers for other substances than ice cream.

SEC. 3. All establishments in which ice cream is manufactured shall be equipped with facilities for the proper cleansing of the hands of operatives, and all persons,
